Following publication of the original article [1], the author reported that there is an error in the article title. The word “*Staphyloccous aureus*” should be “*Staphylococcus aureus*”

The incorrect title is: Confronting the complexities of antimicrobial management for *Staphyloccous aureus* causing bovine mastitis: an innovative paradigm

The correct title is: Confronting the complexities of antimicrobial management for *Staphylococcus aureus* causing bovine mastitis: an innovative paradigm

This has been corrected above and the original article has been updated.

The original article can be found online at <https://doi.org/10.1186/s13620-024-00264-1>.
